

Company

PROFILE

CHARSLOP
ENERGY & MARINE SERVICES

Introduction

CHARSLOP LIMITED was incorporated by the Corporate Affairs Commission of Nigeria as an Energy and Marine services firm to provide a wide range of marine/oil services including very robust Marine Drilling; Equipment rental, Logistics, Surveying, Directional drilling, Manpower supply, brokerage and consultancy services.

As an indigenous Marine Company, incorporated in Nigeria under companies and allied matters Act 1990, with an initial authorized shared capital of twenty five million (25,000,000).

CHARSLOP LIMITED has built its business on careful planning, depth in technical management and corporate structure that promotes the reliable and successful completion of client assignments.

The company's management team is committed to providing the managerial oversight needed to ensure that projects are completed within budget timeframe guideline and that client's goals are achieved.

CHARSLOP LIMITED understands its client concerns and provides services that are level above expectation. We believe that this is good business and do not take this task lightly.

Finally, we poised to provide total quality services to our numerous clients in the Marine industry and other sector without compromising quality, safety and the environment.

Our Vision is to be a leading and preferred Marine Services and offshore construction services company in Nigeria and Africa. For delivery of high quality business solution at the best value to our clients.

As our **Mission**, we are committed to providing cutting edge and innovative Marine solution to our clients at all times anchored on professionalism, exceptional service delivery, integrity and high ethical standards while returning values to all stakeholders in our business.

Our Services

OUR OILFIELD OPERATIONS:

The growth of the oil field services sector is a very much a story of innovation and finding solution to technological and cost challenges faced by operators. We are solutions-driven industry. Our services in the Oil field include: -

- ✓ **Drilling fluids and chemicals:** - **Charslop** Limited has a wide-ranging experience in a complete range of drilling fluids additive such as De-emulsifier, De-oilers, H₂S scavengers, Scale/Corrosion inhibitors oxygen scavengers, Biocides & Drag reducers for specific field and crude requirement. **Charslop** also has tie-ups with many of the leading manufactures of chemical for the oil and gas sector. **Charslop** customers and supplies specialized oil field chemicals for various operations like drilling, completion services, maintenance and crude oil treatment.
- ✓ **Directional Drilling:** - We are expert in pipeline installation by Horizontal Directional Drilling which is a trenchless, steerable procedure to lay underground pipe and optic cable using a surface launch horizontal. Directional drilling is a viable option when pipeline construction is aimed at achieving the following.
 - Deeper Depth to prevent pipeline vandalism.
 - By-pass restive communities, rivers, railway, market, and road crossing
 - From land to sea.
- ✓ **Drilling Services:** - **Charslop** Limited is bring well-tested technical and management capacities to deliver geophysical exploration services in Nigeria and West Africa.
- ✓ **Tubing and Oil country tubular goods OCTG.**
- ✓ As the name suggest, Oil country tubular goods (OCTG) is a wide range of steel tubular products that are used in oil and gas exploration and production, in particular drilling operation. Tubular can be seamless and welded pipes (electric resistance welding EWR) and come in various sizes and length OCTG is comprised of
 - Well Casing
 - Production tubing
 - Drill Pipe.

Without oil country tubular goods known as OCTGs. Very little work would be done in the oil and gas field of the world. OCTGs are product used in the oil industry, as stated above. These product can be both seamless and welded, and are made from corrosion resistant steel alloys that comes in a variety of wall thicknesses and grade.

At Charslop Limited , we are proud to offer wide range of the finest OCTGs including a large variety of casing and tubing. Types and characteristics of these include:

- Welded (Continuous , electric, and spiral
- Seamless casing and tubing
- Many grade of steel (alloys like carbon manganese)
- Insulated conductor casing
- Sucker rods
- Drill pipe
- Stock size from 87-29 in OD
- Variety of finishes

Charslop Limited lines of OCTGs is guaranteed to meet the highest industry standard.

Our Services

MARINE SERVICES

We cater to our customers' needs around the clock, offering the widest range of high-quality services. We have the capability to supply everything, from the smallest cargo ship to the largest cruise vessel. With the years of experience in executing orders and finding the exact products or substitutes for our client with the best quality and reasonable prices. Our Marine Services include: -

- ✓ **Marine Brokerage:** - We are specialist ship brokers for marine construction, offshore windfarms and ocean towage, with our partners any vessels for sales and charters, **Charslop Limited** can connect you with suitable ships anywhere in the world.
- ✓ **Marine Services & Equipment:** - We deal with all kinds of Marine equipment, spare parts as well as marine and port services. We believe that it is just as important to offer knowledgeable services as it is to offer top-flight products.
- ✓ **Logistics Services:** - Charslop Limited has effectively deployed expertise and knowledge in delivering on-time arrivals, such as inward and outward vessel clearance, supervision and coordination of all aspects of the port call, from booking berth allocation and services ahead of the vessel arrival to documentation after the vessel has sailed.

Charslop Limited has built a pedigree of exceptional performance in offshore drilling, Rig Move and in the effective deployment of high-quality lead and assisting tugs to move across ocean areas. We ensure to carry out our operations meeting all regulatory requirements, including registration and insurance.

Our drilling logistics encompasses the movement of all related equipment, including crating to protect sensitive instruments and high-value parts.

- ✓ **Leasing:** - Charslop Limited equipment leasing is one of our specialized services that is targeted at oil and gas support equipment and heavy-duty equipment. We provide leasing and rental of the state-of-the-art equipment such as: - Platform support vessel, offshore support vessel, anchor handling tugs, crew/passenger boat, barges, House Boats, Cranes (Land & Marine) Bulldozer, trucks and forklifts.
- ✓ **Dredging Environmental Services:** - Environmental dredging is distinctly different from large-scale dredging because of the approach selected. With our advanced environmental techniques Charslop Limited achieves the necessary high concentration of sediment with low turbidity during dredging.
- ✓ Surveying

Our Services

CIVIL & CONSTRUCTION

Our expert civil and construction project delivery experience ensure we are the preferred contractor for many clients across a vast array of industry sectors. CHARSLOP is a wholly 100% self-performing entity. Whilst leading the way in collaborative alliances. We value working closely with clients, contractors and local community to achieve mutual benefit. Our Services include: -

- ✓ **Waste Management:** - Our strong relationships with treatment and disposal facilities provide you with the best option for your disposal project. We get the job done the right way, every time consistently.

Our Fleet

Charslop Limited is in partnership with MCT inc. Greece. The Vessel are categorized by Nigeria Content Development Monitoring Board (NCDMB) also we are NIPEX certified

This anchor handling tug supply vessel has been designed by CONAN WU to carry out general services for the offshore industry. It is fitted with a class DP2 system, Fi-Fi I system, and easy to upgrade for standby/service duties. It is equipped with a waterfall double drum winch with large capacity suitable for towing, anchor handling and offshore terminal operations.

AHTS CRONUS Z

DP-2 / FIFI-1
7,183 bhp

MAIN CHARACTERISTICS

Length overall:64.80 m.
Breadth moulded:16.00 m.
Depth main deck:5.80 m.
Max draft:4.90 m.
Deadweight at max draft:1,611 t
Bollard pull:85 t
Gross tonnage:2,014

REGISTRATION

Type:AHTS. vessel CONAN WU Design.
Owner:Zouros Group
Delivery:2007
Builder:Dayang Shipyard- China.
Flag:Panama
Classification: BV. Class ~~✱~~Hull, ~~✱~~Mach, Tug, Supply Vessel, Unrestricted navigation,
Fire Fighting Ship I Water spray, DYNAPOS AM/ATR (Class ~~2~~), AUT-UMS.
Optional: Special Service/Stand by Rescue Vessel.

PERFORMANCE

Consumption: 30 m³/day at 14 knots (maxi speed 100 %).
25 m³/day at 12 knots (service speed 80 %).
15 m³/day at 9 knots (economic speed 50 %).

ACCOMMODATION

- ÷ Fully air-conditioned.
- ÷ Accommodation for 28 persons composed of:
 - 6x single cabins, 5x 2 men cabins, 3x 4 men cabins.
- ÷=1 Office, 1 hospital, 2 mess/day rooms, laundry, galley, provision rooms, stores.

PROPULSION MACHINERY

- ÷ Main engines: 2x 2,640 kW, MAK (total: 5.280 kW = 7,183 hp).
- ÷ Propellers: 2 Type CP, dia: 2,900 mm in nozzles.
- ÷ Rudders: 2 high lift flap type.
- ÷ Shaft generators: 2x 1,600 kVA at 1,800 rpm, 3x 450V 60 Hz.
- ÷ Auxiliary generators: 2x 440 kVA at 1,800 rpm, 3x 450V 60 Hz.
- ÷ Emergency generator: 1x 110 kVA at 1,800 rpm, 3x 450V 60 Hz.

THRUSTERS

- ÷ Bow thrusters: 2x 500 kW tunnel, electrically driven with CPP
- ÷ Stern thruster: 1x 500 kW tunnel, electrically driven with CPP

TOWING/ANCHOR HANDLING WINCH

- ÷=Main winch: 1 electro-hydraulic low pressure winch composed of 2 declutchable drums in waterfall arrangement each equipped with:
 - Drum size: Dia. 900/2,090 mm x 1,800 mm length.
 - Drum capacity: 1,500 m of 2¼" steel wire rope.
 - Brake holding load: 225 t on 1st layer.
 - Rated Pull: 150 t on 1st layer at 0-8.4 m/min.
 - Combined spooling device for both drums.
 - 2 cable lifters 3" and 2½".
- ÷=Windlass: 1 combined mooring and windlass winch.
- ÷=Storage reel: 1 electro-hydraulic unit with 1 drum.
 - Pull at 1st layer: 12 t at 0-18 m/min.
 - Drum capacity: 1,500 m of 2¼" dia. wire.
 - Drum size: 800/2,200 mm dia x 1,500 mm length.
- ÷=Stern roller: 1x 250 mt SWL,
Dia: 1,500 mm, Length: 4,000 mm.
- ÷ Towing pins: 1 pair of vertical/retractable type, 250 t SWL.
- ÷ Shark jaws: 2 of 250 t SWL.
- ÷ Tuggers: 2x 11 t at 25m/min.
- ÷ Capstans: 2x 10 t at 14m/min.
- ÷ Deck provisions crane: 1.7 t at 14 m.

CAPACITIES & PUMPS

Cargo deck area:420 m² (33x13m) @ 5.0 t/ m².
Deck cargo :800 tons @ 0.9 m above deck.
DW/WB:464 m³ – 1x120 m³/h at 7 bars.
Fuel oil cargo:.....607 m³ – 1x120 m³/h at 7 bars.
Fresh water:446 m³ – 1x 120 m³/h at 7 bars.
Liquid mud/Brine:392 m³ – 1x 120 m³/h at 7 bars.
Liquid mud tank are designed for products up to 2.5 sg and are equipped with agitators and circulation.
Chain locker/Brine/Mud:112 m³.
Dispersant:20 m³.
Foam:18 m³.
Bulk cement.....170 m³ – 4 tanks-sg 2.35- 2 products
2 air compressors–2x20m³/min at 5.6 bars

ELECTRONICS

÷=NAVIGATION

- 2 radars, 1 gyrocompass, 1 magnetic compass, 1 digital echo-sounder.
- 1 speed log.
- 1 autopilot system.
- 1 GPS.

÷=COMMUNICATION

- 1 radio system compliant with GMDSS A3 rules including:
- 1 SSB duplex DSC 2 INMARSAT C 2 VHF EPIRB SART NAVTEX,
- 1 Iridium system,
- 1 INMARSAT F,
- E-mail and on-board computer network system,
- Automatic exchange telephone system with facilities in each room.

DYNAMIC POSITIONING SYSTEM (DP 2)

- Comply with class notation DYNAPOS AM/ATR (class 2).
- System allowing: dynamic positioning, automatic speed control.
- Reference system: 1 DGPS.
- Sensors: 1 gyrocompass, 1 wind sensor.

SPECIAL EQUIPMENT

- ÷=Standby Rescue Equipment for 150 survivors: (optional).
- ÷=Life saving arrangement: 1 MOB (Rescue boat) with davit,
 - Life rafts with equipment,
 - Lifebuoys, life Jackets.
- ÷=FIFI I: 2,400 m³/h, (Remote controlled from wheelhouse).
 - 2 water monitor 1,200 m³/h at 12 bars.
(with foam capacity 300m³/h).
 - Pumps: 2x 1,500 m³/h at 14 bars each.
 - Deluge system.
- ÷=Pushing rubber bow fender.

All particulars believed to be correct but not guaranteed.
